Project Value: £30k

- Bespoke & Standard Library Furniture

Buckingham Library is a busy community library situated in the busy market town of Buckingham.

As existing and valued customers to MACOI Ltd, Buckingham Library gave us a brief to revamp their existing library into a bright, modern and welcome environment.

We worked closely with the library team, provided samples and designed a bespoke IT bench unit. Other areas of refurbishment included soft seating, library shelving and study furniture.

Testimonial...

"Thanks again for all your help with the Library refurbishment. We are really pleased with everything you sourced for us especially the IT unit that you had bespoke built for us. Your understanding of what we wanted was invaluable to us".
