**Project Value:** £100k

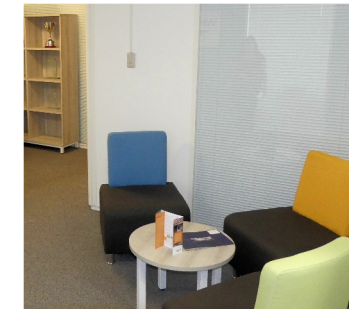

**Project Management Service including:**

- Out of normal office hours work
- Standard and bespoke furniture
- Installed over 5 phased installation dates

## Inspirational Office Furniture Refurbishment.

MACOI worked in conjunction with the client to design, supply and install all new office furniture over 2 floors of their main office. This included a move to modern bench style desking and matching storage and lockers, all in a striking Nordic Ash finish. Screen and chair fabrics were carefully chosen to match the client's corporate colours and theme.

As part of the project, we also furnished all the cellular offices, meeting rooms, conference and training rooms, boardroom, reception area, and the staff restroom.

### Testimonial

"We are delighted with the final product. MACOI were a great company to work with understanding our brand and giving their input but also making sure we had the final say. They were very professional and made the process as effortless as possible with little disruption".
