TeacherWall

The essential teaching aid every school needs

Teacherwall will totally transform your teaching area, condensing storage and incorporating an optional interactive whiteboard or drywipe boards into one convenient area, allowing walls to be utilised more efficiently.

Trusted supplier to educational facilities across the UK

Our Projects – Tailored Solutions

Engaging, flexible and practical classroom refurbishment

The project included the procurement of innovative educational furniture to transform 6 classroom environments, and a logistical delivery solution involving a full installation service to a primary school in Jersey.

Primary

Bespoke Storage Wall Solution

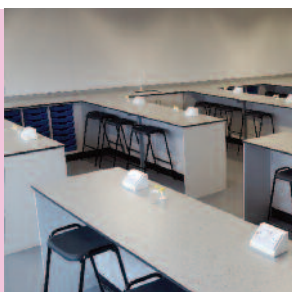

As an approved National Framework Supplier, we were commissioned to provide a bespoke storage wall solution that provided a high volume of storage whilst minimising the use of floor space.

New build refurbishment for 'state-of-the-art' facilities

"Delivering on time and within budget, the service provided to us was flexible, personal and professional and we look forward to working with the team again in the future".

Secondary

Vibrant and eye-catching educational furniture refurbishment for Technical College

The vision for the new build was to design a modern space that was clean and co-ordinated.

Refurbishment of a modern and advanced Sixth Form College

The brief for the loose furniture refurbishment was to create a fun, vibrant and practical learning space where students can study, engage, and work collaboratively.

Higher education

Prestigious restaurant furniture installation for a universities newly refurbished park restaurant

The area is a busy hub for students and staff. The restaurant has been themed as a calming country garden setting with classic furniture and biophilic designs.
